LOT 1680 - 96" Big Ass Fan

Description

96" Big Ass Fan

This Ceiling Mount fan belonged to a government agency (housing authority) in Alabama, we were told they paid over \$3,000 for it, unit was taken down because the building it was installed in was taken down, they kept thinking they would have a use for it in another area but did not, it is functional and was operating properly when they took it down, missing the remote is the only issue, needs a new remote control, other than that it is in good shape, the unit is ready to be installed and keep you cool, Please come inspect for yourself before bidding!
