**This unit was owned and operated by a government agency in Louisiana. The unit will not crank, the unit will spin over, we were told the high pressure oil pump went out and needs to be replaced, the truck was owned by a small town and just not used very much, we were told by a diesel mechanic that the seals can dry out in high pressure pump when not used and can cause the pump to go out, the interior of the truck is great condition, the exterior has some paint/clearcoat fading, the dump body is in good condition.**

**\* Mississippi Residents – If you are from Mississippi and plan to title the unit in our State, we will have to add 5% sales tax to the high bid price and charge a \$10 title fee, no exceptions unless you are dealer. This does not apply to anyone titling a vehicle out of State, all out of State buyers will be invoiced the exact bid price and will register/title and pay any taxes/fees in his/her State!**
