This interceptor was owned a Police Department in Louisiana. The unit is not running, the engine will spin over (see video) but will not fire off, the driver seat has a tear, the police radio has been removed, the exterior is in good shape, the odometer bulb is out so we were unable to get the mileage, the passenger side mirror is missing., the tires are dry aged and cracking but still holding air.

*** Mississippi Residents – If you are from Mississippi and plan to title the unit in our State, we will have to add 5% sales tax to the high bid price and charge a \$10 title fee, no exceptions unless you are dealer. This does not apply to anyone titling a vehicle out of State, all out of State buyers will be invoiced the exact bid price and will register/title and pay any taxes/fees in his/her State!**
