This van was owned and driven by a government agency in Mississippi. The unit needs a fuel pump and is not cranking (turns over good in the video), has sat up not being used for some time by the agency, transmission shifts properly, brakes are good, paint and clearcoat in bad shape (bare metal showing), the headliner is sagging, rear row seat has been removed and is not available, interior is stained and dirty, has some busted windows, front passenger door only opens from inside.

*** Mississippi Residents – If you are from Mississippi and plan to title the unit in our State, we will have to add 5% sales tax to the high bid price and charge a \$10 title fee, no exceptions unless you are dealer. This does not apply to anyone titling a vehicle out of State, all out of State buyers will be invoiced the exact bid price and will register/title and pay any taxes/fees in his/her State!**
