This unit was owned and driven by a police department in Mississippi. The engine cranks and runs with no issues (was driven to this location), transmission shifts properly, tires have tread wear but overall the rubber looks decent, brakes function, extremely low mileage car, drives tight-not ragged out like many police cruisers.

*** Mississippi Residents – If you are from Mississippi and plan to title the unit in our State, we will have to add 5% sales tax to the high bid price and charge a \$10 title fee, no exceptions unless you are dealer. This does not apply to anyone titling a vehicle out of State, all out of State buyers will be invoiced the exact bid price and will register/title and pay any taxes/fees in his/her State!**
