This Sedan was owned by a sheriff's department in Louisiana, used as an administrator vehicle. The unit is wrecked and has damage to the front end, the unit will crank, run, drive, we did not drive the unit far so we do not know if it will run hot, we do not know if there was damage to the cooling fan or radiator from the wreck, the unit has some of the parts in the backseat, the airbags are deployed, the tires are good, the A/C is not blowing cold.

*** Mississippi Residents – If you are from Mississippi and plan to title the unit in our State, we will have to add 5% sales tax to the high bid price and charge a \$10 title fee, no exceptions unless you are dealer. This does not apply to anyone titling a vehicle out of State, all out of State buyers will be invoiced the exact bid price and will register/title and pay any taxes/fees in his/her State!**
