Tire Size: 225 70 19.5

Brake Type: Hydraulic

This truck was owned by a telephone company in Alabama. The company replaced the unit due to fleet replacement schedule and repairs. The truck was driven to our location 200 +/- miles with no issues. The unit will crank, run, drive, the PTO will engage, the lift is not working, the unit does not have the bucket, the brakes are good, the tires are showing some wear but still holding air, the transmission will shift but has a grind going into 4th gear, the interior has a small tear on the drive seat, the body is in good condition.

*** Mississippi Residents – If you are from Mississippi and plan to title the unit in our State, we will have to add 5% sales tax to the high bid price and charge a \$10 title fee, no exceptions unless you are dealer. This does not apply to anyone titling a vehicle out of State, all out of State buyers will be invoiced the exact bid price and will register/title and pay any taxes/fees in his/her State!**
