This truck is from a local contractor downsizing his fleet. The truck runs, drives, and stops as designed. The transmission pulls in forwards and reverse. The interior is in good condition with no rips or tears in the seats, the headliner is torn and hanging down. AC blows cold. The flatbed is in good condition but does have surface rust where the paint is down to bare metal. The side boxes on the bed open and close as designed. This truck is ready to be put to work.
