Unit was sold in may auction but the winning bidder couldn't secure the funds. This unit was pulled to our location with no issues. The frame and cargo area are in great shape, the tires are good, doors and windows are opening as they should, we have not tested the A/C or the concession appliances, but the owner stated everything was working when last used, the trailer is a money maker with endless possibilities, unit does have a title.

*** Mississippi Residents – If you are from Mississippi and plan to title the unit in our State, we will have to add 5% sales tax to the high bid price and charge a \$10 title fee, no exceptions unless you are dealer. This does not apply to anyone titling a vehicle out of State, all out of State buyers will be invoiced the exact bid price and will register/title and pay any taxes/fees in his/her State!**
