This item was purchased new by a local family looking to downsize their life due to a family illness and move closer to family. They don't have room for any of their yard equipment where they are moving and we are helping them liquidate their items.

This unit is used for De-Thatching your lawn and is pulled behind a mower, it has a tray on top to add weight to make it more effective, the unit seems to be in good

shape and was purchased to go along with LOT 55 (Cub Cadet Riding Mower) along with several other attachments that will be listed in case someone wants to keep as a package together.

Each and every Lot is sold "as is, where is". JJ Merchant provides no guarantees or warranties (express or implied) in respect of the item contained in the Lot. All representations made by JJ Merchant, its servants or agents are to be considered lay opinions only and JJ Merchant accepts no liability for any purchase made by a Buyer in reliance upon them.
