**Unit come from a water assoc. that selling simply because of age and updated there fleet. Mower cranks, runs and operates like it should. The park brake switch has to be mashed before cranking but does not limit it from cranking. (See Video) Runs, operates and PTO engages and pulls forward and reverse. Blades are fairly new and sharp. Rear tires have some cracking but still hold air. No rust and paint is good. Please come inspect this unit out for yourself.**
