This SUV was owned by the local gov't agency out of Louisiana. Unit Runs, drives and shifts as should. AC and Heat work. SUV does have cage and light still on vehicle, but control boxes were taken out (we do have them and if a dealer or City purchases this unit we can let the control boxes go with it) Front interior could use a good cleaning but no tears in seats. Front tires are wore and have about 20% tread left, back tires have about 40% tread.
