This SUV was owned by a government agency in Mississippi. The SUV is not operational. In the engine bay it is missing various parts and will need some work done to get going. There is no power to the vehicle so we can not properly list the miles on this unit. The interior of the car is in great shape. No tears in the seats and no visible damage to any of the floor, panels, dash, rear, or anything of that nature. The tires also seem to be in good condition with little tread wear. Come check this unit out for yourself!!! Title Delay- Agency filed for Replacement Title!

Mississippi Residents – If you are from Mississippi and plan to title the unit in our State, we will have to add 5% sales tax to the high bid price and charge a \$10 title fee, no exceptions unless you are dealer. This does not apply to anyone titling a vehicle out of State, all out of State buyers will be invoiced the exact bid price and will register/title and pay any taxes/fees in his/her State!
